

NEW BAKERY OPENING SOON!

now hiring

Gabi & Jules Handmade Pies and Baked Goodness is opening a brand new bakery in Port Moody very soon! Our mission is to passionately create exceptional pies and baked goodness in a collaborative environment inclusive of individuals of all abilities. We have an unwavering commitment to using quality, real ingredients to craft unique products that have a playful, memorable twist on tradition.

We are currently hiring for new positions including a **JUNIOR BAKER**:

To be our ideal candidate you're new to the world of baking but are passionate about learning and growing in this entry-level position. And:

- you will love pies (but who doesn't?) and have a passion for baking and all things delicious.
- you are like a sponge. You soak up everything you're taught and love to be challenged and learn new things
- you play nicely with others (a.k.a. a team player)
- you are strong! You won't be lifting weights but close enough as bags of flour don't carry themselves so you'll need to be able to lift at least 20 kg.
- you're not overly sensitive and are responsive to constructive feedback
- you have a strong work ethic and take pride in the work you do.
- you'll understand that the bakery business isn't a Monday-Friday sort of gig so you'll be open to working weekends

Your responsibilities will include:

- executing recipes that require a basic understanding of baking techniques
- working independently and effectively manage your time
- in addition to baking, working in a bakery also involves doing dishes, cleaning and receiving orders.

Full and part-time junior baker positions are available.

Compensation will be based on experience and includes medical & dental benefits.

To apply, please send resume & cover letter to lisa@gabiandjules.com.
